WELCOME TO HIERGEBLIEBEN E. V.

We are Kranichstein residents – just like you.

The members of our association come from Kranichstein, Darmstadt, from other federal states in Germany and from all over the world.

We speak different languages, have different jobs and hobbies. We are young, old, employed, unemployed.

WE ARE ALL DIFFERENT.

HOWEVER, WE DO AGREE ON THIS:

- We feel good here in Kranichstein. Here is our home.
- We don't want to move away from here to live in a nursing-home once we are old and in need of assistance.
- We want to „stay here“ (HIER BLEIBEN) and we are ready to do something for it.

That is why we have founded an association open for all Kranichstein residents and have called it HIERGEBLIEBEN (= let's stay here).

THIS IS WHAT WE WANT TO ACHIEVE TOGETHER:

- We want to help each other – like good neighbours do – for instance with doing the shopping, going for walks, reading to somebody or by translating a form or a letter.
- We want to establish a meeting-point for all Kranichstein residents, so we can get to know each other and spend good times together.
- In addition to the services provided by our voluntary helpers, there will be also professional help, e.g. by nursing services.
- So community, counselling, practical assistance and nursing care all combined under one roof.

Does this idea appeal to you? If so why don't you come and take part in our activities? Everyone can contribute to help turn the idea in a success.

WE ARE LOOKING FORWARD TO
MEETING YOU.

Please give us a call or come to see us in our Neighbourhood Café. There we can talk to each other without any hurry over a nice cup of coffee or tea.
